

Sean Hogan to address Rotary

On Tuesday, September 7, 2010, the Rotary Speaker will be Sean Hogan of Hogan Communications. Hogan has been in business for 24 years. He left college to team up with his father and brother to create a network installation company when networking was in its infancy.

Through hard work and diversification, they have created a successful company that services the communications needs of the region. Their services include voice solution (VOIP), cable installation, IP camera installation and service, voice services (dial tone), Internet services and hosted services.

Their ability to evolve and provide customers with leading edge solutions has been key to their success. They employ 16 people in their Easthampton office with coverage territory including the entire Northeast with a concentration on area codes 413 and 860. Their specialty is unifying communications and optimizing their customers' technology budget.
