Data Comm Plus: New name, same great service

8/29/2011

Contact: R.E. Hurst
Phone: (414) 771-4171

To better reflect the services they provide to their loyal Clients, Phones Plus, Inc. of New Berlin has changed their name to Data Comm Plus. The "Comm" is short for "Communication." The new name better reflects their mission & additional services offered such as Data Storage, Data Back-Up & Web Hosting.

For over 30 years, the company has been a locally owned & operated family run business that maintains a global approach to local issues. Highly trained & certified teams of experts partner with Clients to ensure measurable results.

Their team of professionals is dedicated to establishing lasting local business relationships with their Clients by offering innovative voice, video & data networking solutions that increase their Clients profitability & competitive edge.

The company was created & will continue to exist because they recognize the critical need for a communications company that combines leading technology with world class service & support for small to medium sized businesses in Southeast Wisconsin. At Data Comm Plus, they will continue to unify communication & strengthen businesses.

For further information, please contact Tom Sodeman of Data Comm Plus at (262) 784-2311.
