

10 Hacks of Fundraising

① Prep Your Team

With Microsoft 365 with Microsoft Teams, you can ensure that your team is on the same page throughout the process. Just create a Teams channel for each event, where staff and key volunteers can chat with one another.

② Develop a Format to Meet Attendee Expectations

Let your prospective participants guide you when determining the format for your key fundraising moment. Using Microsoft Cloud for Nonprofit, you can analyze your donor base's existing behavior

③ Create Role Clarity

Leveraging Microsoft Project within Microsoft Teams can help you assign tasks, track assignments, and provide a one-stop-shop to view your team's to-dos.

④ Assess your Costs and Potential Revenue

Dynamics 365 Business Central can assist your financial planning.

⑤ Find Your Sponsors

Track in-kind donations, manage prospective sponsors, and leverage LinkedIn Sales Navigator to find corporate donors.

⑥ Reach New Audiences

Orchestrate event invitations, follow-ups, and reminders.

⑦ Showtime

Use Microsoft Bookings to send your staff, volunteers, and guests reminders on the day of the event.

⑧ Listen and Learn

Microsoft Forms allows you to collect attendee feedback. Use the data to plan your next event.

⑨ Thank Your Base

The Fundraising and Engagement module helps you send out thank you letters and donation receipts to keep your patrons engaged.

⑩ Report and Prepare for the New Year

Dynamics 365 Marketing helps you track metrics year-round.
